

JANUARY 7th, 8th, 9th AND 10th OF 2008

A CALL TO FAST

THE LORD TOLD ME: *ASK ME TO GIVE THE QUEEN INFLUENCE FOR HER TO ENTER KINGS' CHAMBERS IN ORDER TO CHANGE THE DEATH DECREES OVER THE NATIONS FOR LIFE AND RESTITUTION DECREES.*

JUST AS ESTHER ENTERED THE PALACE CHALLENGING THE LAWS OF DEATH IN ORDER TO CHANGE THE DECREES OF EXTERMINATION OVER HER PEOPLE, IN LIKE MANNER THE CHURCH AT THIS TIME WILL BE RAISED TO ENTER THE PLACES WHERE THE LAWS OF THE NATIONS ARE ISSUED. THE YEAR 2008 WILL BE A TIME OF RAISING THE GENERATION OF THE EIGHTH DAY.

THESE ARE THE GUIDELINES THAT THE LORD SPOKE TO ME:

ON THE SEVENTH DAY VASHTI WAS CALLED TO BE SHOWN TO THE GOVERNORS AND PRINCES. SHE DID NOT PRESENT HERSELF BEFORE HER CALLING BECAUSE SHE WAS ATTENDING TO HER OWN BANQUET. THE YEAR 2007 HAS BEEN A YEAR OF OPPORTUNITIES TO ENTER THE TIMES OF GLORY IN THE NATIONS. THOSE THAT CAME IN DURING THESE OPPORTUNITIES WILL SEE THE GLORY OF GOD. THE YEAR 2007 HAS BEEN A DAY OF PERFECT TIMING. BUT THERE ARE SOME WHO DID NOT ENTER THE PERFECT TIMING.

THIS IS WHY THE EIGHTH DAY APPROACHES WITH A NEW GENERATION, THE EIGHTH DAY GENERATION WILL BE ANNOINTED TO ENTER THE PLACES WHERE THE LAWS OF THE NATONS ARE WRITTEN.

THE LORD TOLD ME, ESTHER IS READY TO MAKE A WAY INTO THE PALACE. I HAVE ANNOINTED ESTHER TO CONFRONT THE POWERS OF DEATH THAT OPERATE THROUGH THE PRINCE OF PERSIA IN THE NATIONS. THE PRINCE OF PERSIA HAS MOVED LAWS OF DEATH FOR MANY YEARS IN THE POLITICS OF THE NATIONS AND THIS IS THE KAIROS OF GOD TO INTRODUCE THIS GENERATION INTO THE PLACES OF INFLUENCE OF THE NATIONS SO THAT ESTHER CHANGES THE LAWS OF DEATH INTO DECREES OF LIFE AND RESTITUTION. ESTHER, THIS GENERATION IS BEING ANNOINTED AS NONE OTHER TO SUPPRESS THE DOMINION OF DEATH IN THE MIDST OF THE LAWS OF THE NATIONS.

THE PRINCE OF PERSIA HAS HIDDEN FOR MANY YEARS IN THE POLITICS OF THE NATIONS AND HAS EXECUTED HIS DEEDS THROUGH THE LAWS PRO CAUSE. UP UNTIL THIS TIME VASHTI HAD THE CROWN, BUT ESTHER WILL OVERTHROW THE POWERS OF PERSIA, THIS CHURCH, LIKE ESTHER, WILL BE ENDOWED WITH SUPERNATURAL WISDOM, AND GRACE AND FAVOR WILL BE GIVEN TO HER AND IN PLACES THAT VERY FEW HAVE ACCESS TO. THE

DOORS WILL OPEN FOR THE QUEEN. THIS IS A TIME LIKE NEVER BEFORE FOR THE CHURCH SINCE SHE WILL BE INTRODUCED INTO THE POLITICS OF THE NATIONS, IN CONGRESSES AND ROYAL PALACES. HALLELUYAH.

THE LORD ALSO TOLD ME THAT ESTHER WILL ALSO BE ANNOINTED TO OVERTHROW HAMAN BECAUSE IT IS ON ACCOUNT OF HAMAN THAT THE POLITICS OF THE NATIONS HAVE BEEN EMMITING DECREES AGAINST THE DESIGN OF THE FATHER. ESTHER WILL MAKE THE RESTITUTION BEGIN TO COME UPON THE PEOPLE OF GOD WHEN HAMAN IS JUDGED. HAMAN IS WHO BEARS THE PLACE OF HONOR BUT WHO IS FROM THE GENEALOGY OF AGAG. HAMAN WAS THE SON OF AGAG, A TITLE THAT ONLY THE KINGS OF AMALEK FLAUNTED. HAMAN WAS LIKE THE SATRAPS OF THE DAYS OF DANIEL, THEY ARE THE ONES THAT WANT TO BRING WORSHIP TO MAN. HAMAN MOVES THE SPIRIT OF HUMANISM IN THE NATIONS. IT IS BECAUSE OF MEN LIKE HAMAN THAT LAWS OF DEATH ARE ESTABLISHED IN THE POLITICS OF THE NATIONS. THE SPIRIT OF HUMANISM IS PART OF THE DOMINION OF PERSIA. THEY ARE MOVED BY THE SPIRIT OF PERSIA TO BRING WORSHIP TO MAN; LAWS THAT REVOLVE AROUND MAN AND FOR MAN. THIS SPIRIT HAS BEEN OPERATING IN MY CHURCH BUT ESTHER WILL CONFRONT AND OVERTHROW IT.

FATHER GIVE THE QUEEN INFLUENCE SO THAT SHE MAY ENTER THE KING'S CHAMBERS AND CHANGE THE DECREES OF DEATH INTO DECREES OF LIFE AND RESTITUTION.

TEACHING

THE GENERATION OF THE EIGHTH DAY

Having spent several days in vigils, and prayer and fasting the Lord gave me a word about what He will bring during this time to the church.

There is coming a time of transition for the Church, they are days of new beginnings for the Body of Christ.

The Lord told me that the seventh day is passing and the eighth day is approaching and will begin with a new generation. In the same way that Vashti was removed from her position as queen because she did not respond to the calling of the king on the seventh day to be shown before the princes and the nations because she had her own banquet, the church that has flaunted her crown but has not gone first of all to present herself because she has had her own banquet, this is her own diversion, her own kingdom. This type of church and leadership has not attended the call of the Lord to come into His Presence and therefore when her beauty has been wanted to be shown to the nations and the governments it has not been possible because her participation in her personal banquet has

kept her out of the Lord's banquet. The Lord showed me how often He has wanted to raise ministries that would enter the areas of political influence, and social and economic influences in the nations, but they haven't wanted to because their own kingdom is more important to them than the Kingdom of God.

The generation of the seventh day was a generation that in spite of living in the perfect time of God to enter into His designs, they did not enter because they did not show up at the right time.

While Vashti was queen, Esther already existed but she was in anonymity. The Lord will begin to raise ministries that have been faithful for many years, ministries that have been formed at the feet of the Spirit of God. Following I will give you some characteristics that the Lord showed me regarding this generation. For many years they have been formed in the secret of God. Maybe they are not renown people (even though some in this eighth day generation are already renown by the name the Lord has given them in order to be of influence, and to these their influence will increase during this time) but they are the children of God that are obedient and committed to the Holy Spirit.

They are not just any maidens; they have gone through the process for maidens. Allow me to explain what are maidens and the difference between them and the one who will have the crown of government at this time. The maidens are there to serve the King but they don't always have communion with Him. The queen serves from a position of communion. The maidens always wait to be called in order to go the Presence of the Beloved; the queen breaks forth into His Presence even if she is not called and even if the cost is her very life. The maidens have access to the blessings in the palace but they always choose what they enjoy the most, while the queen lets the eunuch choose the attire for her because she knows the eunuch is so close to the King and that he is perfectly aware of His tastes. This is the Church that allows the Father to dress her with His perfect will. The Church that will have authority over the nations during this time is that church that has allowed herself to be dressed by the Holy Spirit, these are men and women of the Kingdom because they have told Him to let it be done unto me according to Your will and not according to mine. Remembering the words of our Lord Jesus that said, "Let your Kingdom come, let Your will be done on Earth as it is in Heaven." In order for the Kingdom to come and become manifested in our nations a generation has to rise up and be willing to do the perfect will of the Father. The queen lets herself be dressed according to the King's taste and not that of her own.

Esther 2:15

15- Now when the turn of Esther, the daughter of Abihail the uncle of Mordecai who had taken her as his daughter, came to go in to the king, she did not request anything except what Hegai, the king's eunuch who was in charge of the women, advised. And Esther found favor in the eyes of all who saw her.

Esther let herself be dressed by Hegai whose name means meditation, word, groan, separation or consecration. The name Hegai comes from the root hagah which means

«meditate, groan, cry, roar, pronounce, speak». It seems to be an onomatopoeic term that reflects sighs and murmurings that the former would make when they meditated. This meaning is found in the first case of the verb: «This book of the law shall not depart from your mouth, but you will meditate (hagah) on it day and night» Joshua 1:8. This is definitely not a coincidence that this eunuch represents what gives us Grace and favor before the King and men. This is obedience, humility and wisdom. God will raise this generation with a supernatural wisdom to do with them what has never been done before. This wisdom will introduce them in the palaces, in other words, the actual houses of government, parliament and even royal palaces, etc.

This generation will confront these spiritual powers that have been governing for years. As we studied previously: Vashti or the spirit of religious conformity, being distracted by their own things, self complacency and false security. Haman or the spirit of secular humanism that has been introduced in the church, operating under orders from the king of Persia who is the one who moves the laws of death in the nations to go against the people of God.

1. The Lord told me that this generation will be like Esther, particularly anointed to go against the powers of Persia. Persia is a spirit of death that operates through the laws of the nations. Through Scripture the Lord began to show me how the prince of Persia moves a series of spiritual influences that have infiltrated the Church so that it will not have the influence it ought to have in the nations, and how the Prince of Persia has been influencing the political spheres of the nations and even the very Church. He showed me that basically the move of the spirit of Persia is to permit the people of God to develop only up to a certain level. The prince of Persia is the spirit that Daniel confronted in the days of Babylonian captivity, even though back then Babylon was an empire in decline, it seems that who was reigning and bringing opposition to the prophet of God was the Prince of Persia. Allow me to explain the following, the spirit of Babylon brings with it an entire idolatrous system based on the worship of idols of gold, silver and clay, etc. But what the Prince of Persia moves is the idolatry of men. If you notice in Scriptures on the days that the decrees of death were emitted to throw into the pit to the lions those that would pray in the name of any other god or man that was not king Darius. Darius was king of Persia and Median, who had already entered in the conquest of Babylon.
2. The laws of Persia had one particularity and that was that once they were sealed they could not be repealed except by the king and through another decree.

Daniel and Esther alike were taken by the Spirit to fast, Daniel fasted three weeks and Esther and the Jews fasted three days. They were both endowed with supernatural wisdom, and such boldness was given to them to the point that they risked their lives and victory over the laws of death was given to them. In both

cases the victory was given to them because both risked their lives in order to enter opposition against the powers of Persia.

The Lord showed me that the Prince of Persia has been influencing politics for years and specially the laws and decrees of the nations, especially against the people of God. Persia has moved the times. The Lord moved me along side a team of apostles in Europe to go to Greenwich and take the line of time; we linked through prayer many nations in three continents, among those was Israel. The Lord indicated to me that in Greenwich we should prophesize the Kairos time of God bursting over the nations of the Earth, and the raising of the generation of the eighth day. We were proclaiming this in the line of time and we closed with the prophetic act when it turned 6 p.m. in Israel, announcing the Kairos time of God in this nation as another signal of what is coming during this time upon the church. Esther will enter in the politics of the nations. Her mission will be to be a carrier of the Kairos time of God and because of this reason she will change the decrees and laws of death.

The Lord also showed me that the politics of the nations that have been affected by those who govern in relevant positions are the Hamans, not only in the secular world but also in the church, and while Haman is positioned in a place of honor the death decrees will continue to be established.

Let us take a look at who Haman is.

The meaning of his name among other things means: Trustworthy, accurate, guide, secure, faithful, truth, nurse, loyal, permanent, he who trains, expert, excellent teacher, able worker.

- The Hamans of this time at one point in time were loyal representatives of all that their name implies. This applies to the secular world and unfortunately the same is occurring in the Church.
- They are those that when honor was due them they were filled with arrogance and pride and because someone did not honor them what was in their heart was exposed.
- Because one did not honor him, Haman, the one who was called father, wet nurse, able worker, excellent teacher, became the persecutor of the generation that would bring the purpose of entering within the royal chambers to change the laws and decrees of a nation.
- The only thing Haman desired was the honor of men. We see this reflected in the reply that he gives based in the supposition that he is the man the king wants to honor.
- Haman had a hunger to destroy a generation that represented the one who did not want to honor him. Satan wants to do the same thing today through the laws, which is why he has raised his greatest banner which is secular humanism.
- Haman convinces the king that there are people that have different customs and that does not abide by the laws and norms of Median and Persia; he raises lies and

slander against a generation that is not willing to prostrate before him. We should understand that a worldwide movement existing in this time, which is commanded specifically with the purpose of silencing the Church so that through laws they cannot preach against sin, wickedness, etc. There are many Hamans today that are convincing the governors that there are people that do not want to submit to the laws that promulgate every type of licentiousness against the Word of God. Church, get ready because glorious days are coming.

While Haman is raised, no one will dare to go against the laws of death, you cannot defeat death if you are in a covenant with it. This is why the first thing that is needed is for the Church to be freed from the spirit of Haman within the Church. Changes will come; the Lord has the generation that will face this situation on behalf of the Kingdom ready. The laws of death shall be defeated through Grace.

Esther is raised by the Lord so that she may go against the law that said that no one could get close to the king if they were not summoned otherwise they would perish. Esther, arise and enter with grace and favor. Esther conquers fear because it is time to conquer death. Esther takes your adversary to the table, because at the table is where the sons sit to exert authority from heavenly places. The new generation that God is raising will do this with grace to conquer death. God gives this generation a greater manifestation of glory against the spirit of death. It shall be with grace that they shall enter to change the laws of death and grace shall come through wisdom, obedience and holiness.

The arrogance of humanism will be demolished by this generation.

AGENDA

First day, January 7th from 6 p.m. to 6 p.m. on January 8th

1. The shophar will be played announcing the establishing of the eighth day generation in each city and nation.
2. On this day, there should be a clamor and repentance, recognizing the ministers in charge of preparing this beforehand through the intercessors and investigators a document were there are registered events and national laws that should be revoked. There should be repentance and a clamor before the Lord so that the Church would have the influence in this year to overturn these types of laws just as Esther with Haman's decrees.
3. There should be repentance and purification in the Church. It would be of very importance to previously do fastings for sanctification and consecration beginning on the first of January.
4. On this day proclamations should be emitted announcing that Vashti will no longer be on the throne anymore and that Esther arises.

5. If the Lord leads you, you should use the arts to prophesize through the works of art such as theater plays, dances, etc., to show that Vashti has been displaced and that Esther has been positioned.

First day:

- Lord forgive the sin of the Church that has been like Vashti and extend your mercy in such a way that at this time the Earth be healed of each curse that has been established due to the cause of the laws of death in the nations.
- Forgive the spilling of the blood of innocent children on the altars of abortion because on account of this the Earth has been filled with violence.
- Lord, forgive the sin of indolence in Your people.
- Forgive us for not having taken the position that we should have taken a long time ago. And because of this others have taken the crown. We now repent and assume the challenge in the name of Jesus.
- Forgive us for not responding to the calling of displaying the beauty of your bride to the governors of the nations.
- Forgive Your people for maintaining their own kingdoms before Your kingdom.
- Raise men and women according to Your heart in these times so that they may enter to rule the destiny of the nations.

2 Chronicles 7:14

14- and My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin and will heal their land.

Second day, January 8th from 6 p.m. to 6 p.m. on January 9th.

1. On this day we shall claim and prophesize that Esther enters into the places of government.
2. There should be prayer on behalf of the legislative, judicial and executive powers.
3. Go out and anoint these places. I believe that it is of vital importance that those that decree this be the territorial spiritual authorities, in other words ordained ministers. The prophetic intercessors and worshippers should execute a covering of worship and intercession.
4. The fast on this day will be to proclaim the establishing of Esther.
5. Invite sons of God with a calling to politics and anoint them.
6. Invite local governmental personalities in order to pray for them. If they are believers anoint them and send them to do the work of the Lord in the midst of this field.

Important proclamations for the second day:

1. Lord, give the queen influence so that she may enter the places of government in order that death decrees be changed for decrees of life and restitution over Your people.

2. Father, anoint this generation just like You anointed Esther particularly against the powers of death established by the prince of Persia that has ruled in the politics of the nations.
3. Lord, raise Esther to confront the powers of humanism directed by the influence of Amalek and Persia.
4. Father, raise the Daniels that will bring reforms in the spiritual world and will confront in the spirit the influences of Persia.
5. Raise Esther to confront in the places of politics of the nations.
6. Raise a Joseph, to whom the riches of Egypt will be handed to so that he may manage them in favor of the people of God.
7. Raise the generation that will enter during these times to enforce the laws in the nations.
8. Lord, anoint Esther to overthrow Haman from his place of honor.
9. Break the allegiances of Haman (humanism) and Xerxes (riches) in the nations and in the Church.
10. No more humanistic government in the Church and position but rather a government of function.
11. Lord, break Haman's influence over the Church.
12. Let there not be found any more sons in the house of God born out of the spirit of competition but rather out of love for the souls.

Third day, January 9th from 6 p.m. to 6 p.m. on January 10th

On this day, spiritual warfare should be waged against the powers of the prince of Persia.

1. There should be prayer against all types of humanism.
2. There should be prayer against all power of death dictated by humanism.
3. It is important to go and pray at the universities and centers of education proclaiming the overthrow of the powers of humanism that have been influencing the laws of the nations.
4. Other important places are the labor unions and human rights centers, mainly those that are pro-abortion.
5. Other places where proclamations should be made are the banks and financial institutions, declaring the establishment of decrees of restitution over the people of God.
6. We should pray for Israel and for the establishment of international laws that establish the restitution of all that was taken from Israel during Second World War, and even those things that have yet to be returned to them. We should pray for the restitution and restoration of all that the Roman religion stole from Israel and the Jews during the inquisition.
7. We should annul all decrees of death against Israel and against the Church.
8. Let us prophesize that financial institutions will begin to bring their resources for the edification of the Kingdom of Heaven.
9. This day let us proclaim the establishing of the defeat of the powers of Haman over the Church, the nations, society, etc. Let the rapid mailings of the King go out over the nations to annul Haman's decrees and establish the decrees of the Word of God.

Proclamations of the third day:

Isa 28:14-18

14 Therefore, hear the word of the LORD, O scoffers, Who rule this people who are in Jerusalem, 15 Because you have said, "We have made a covenant with death, And with Sheol we have made a pact. The overwhelming scourge will not reach us when it passes by, For we have made falsehood our refuge and we have concealed ourselves with deception." 16 Therefore thus says the Lord GOD, "Behold, I am laying in Zion a stone, a tested stone, A costly cornerstone for the foundation, firmly placed. He who believes in it will not be disturbed. 17 "I will make justice the measuring line And righteousness the level; Then hail will sweep away the refuge of lies And the waters will overflow the secret place. 18 "Your covenant with death will be canceled, And your pact with Sheol will not stand; When the overwhelming scourge passes through, Then you become its trampling place.

- Let us pray for the destitution of Haman
- For the rupture of allegiances between humanism and the financial sources of the nations.
- We declare the establishing of the Church in heavenly places with Christ to govern and subdue and have lordship over the nations, giving testimony of being a holy people unto our God even in the midst of this world.
- Father, we ask that during this time the strategies of humanism that want to put an end to the move of Your Spirit be overthrown and that on the same noose it prepared, it be hung.
- We proclaim the fall and defeat of the powers of Persia and Haman.
- We declare that the kairos time of God breakthrough the destiny of the nations and that great changes begin the great territorial changes.
- We proclaim the return of the riches to the Church during this time.
- Isa 23:18

18- Her gain and her harlot's wages will be set apart to the LORD; it will not be stored up or hoarded, but her gain will become sufficient food and choice attire for those who dwell in the presence of the LORD.
